

Attention Torch Relay Communities

We would like to take this opportunity to introduce our promotional products company to you. We run two web sites from Squamish, BC: Ultimate Promotions and Earth Imprints.

Our first site, Ultimate Promotions (www.ultipromo.com) specializes in lapel pins, flags and banners, usb drives, waterbottles and the usual humungous selection of branded promotional products.

Our second site, Earth Imprints (www.earthimprints.com) specializes in eco friendly gifts and promotional items. Municipalities across Canada and the US are embracing this web site and the environmental consciousness it promotes. Through Earth Imprints we offer eco friendly lapel pins, metal bottles, beetle-kill wood coasters and a HUGE selection of other unique items.

In the past year we have done work for:

- VANOC- banners for the FIS World cup
- Callaghan Organizing Committee – medals and pins for 5 events
- Resort Municipality of Whistler – Medals for Kokanee Crankworks
- West Vancouver 2010 office – currently in design phase for 18 lapel pins
- Surrey – eco friendly lanyards for Parks and Recreation and metal water bottles
- Kelowna – years service pin program
- Fredericton – Wood USB drives

We would also like to note we are an approved vendor for the Province of BC's Product Distribution Centre and Corporate Giftware program. The application process for this program is extremely rigorous.

We also work with approximately 40 other municipalities across Canada and the US. Our unique abilities as a company are rush orders (ie- required in 3-10 days), lapel pins, USB drives and eco-friendly items. We are adept at finding the right product to fit our clients and their promotional needs.

In short, we feel our company has the experience and qualifications to be a supplier for your organization.

We look forward to hearing from you soon. If you would like a USB drive with a catalog of eco-friendly items, please let me know!

Sincerely,

Craig Davidiuk - President
"The Idea Guy"
